At the Airport

Travel documents

Carry a valid boarding pass, ID proof and any relevant documents, including visas or entry permits. You may be denied boarding, detained or deported by the respective authorities if you fail to meet requirements.

Cabin Baggage

You can carry one cabin bag (56 cm x 36 cm x 23 cm) and one small bag (40 cm x 30 cm x 10 cm). The total permitted weight for the two pieces must not exceed 7 kg unless you have pre-booked Xtra-Carry-On cabin baggage.

Checked Baggage

Do note there are extra fees for additional checked bags of more than one on domestic flights and more than two bags on international flights. For checked baggage, it's smart to pre-book up to 40 kg to avoid extra fees. Each bag should weigh no more than 32 kg. If you're travelling with others on the same booking, you can combine your baggage allowances.

For Xpress Lite bookings on domestic flights, the first 15 kg costs INR 1500 per person and for international flights, the first 20 kg costs INR 2000 at the airport. Also, remember that if your booking is in non-INR currency, the baggage price might vary at the airport.

Prohibited items

When packing your bags, please keep in mind the items that are prohibited from being carried and the regulations on the carriage of liquids, aerosols and gels.

Guests must carry Portable Mobile Chargers and Power Banks in their hand baggage as they are not allowed in checked-in baggage for safety reasons. It is advised to pack fragile items securely to prevent damage, as the airline will not be held responsible for any damage.

Baggage drop and check-in counters opening and closing times

Opens: 3 hours before all flights (domestic & international)

Closes: 1 hour before departure for metro airports (domestic & international) and 45 minutes for domestic flights at other airports

Note: Baggage drop is only available on domestic flights
