We encourage you to check the travel restrictions prior to travelling with us. Each of the states in India has imposed their

respective travel guidelines and requirements, which you may refer to in detail her

You will need to bring your own mask (preferably three-ply surgical or N95 masks). You will need to wear it during and after your flight, including during check-in and bag collection.

Travel disruptions:

It is important that you have correct contact details in the booking, so we can keep you informed on any flight disruptions or changes. For assistance, please chat with AVA or contact us via WeChat, Facebook and Twitter.
